The screenshot shows a web browser window displaying the School Education Gateway website. The browser's address bar shows the URL <http://www.schooleducationgateway.eu/en/pub/news>. The website header includes the text "Skip to content | Stay tuned" with social media icons for Facebook, Twitter, YouTube, and Email. There are also links for "About | English" and a "Log in / register" button. The main navigation menu is orange and contains the following items: NEWS & EVENTS, PRACTICES, TUTORIALS, EXPERTS, POLICY, TOOLS, DISCUSSIONS, and a search icon. The page title is "SchoolEducationGateway" with the eTwinning logo. Below the navigation menu, the breadcrumb "Home » News & Events" is visible. The main heading is "News and Events" in large orange text. A sub-heading reads "News and events on European school policy and action". The featured article is titled "10 years of successful school collaboration through eTwinning" and is marked as an "Editor's pick". The article text states: "eTwinning was launched in January 2005 as the flagship of the European Commission's eLearning programme. The project was modelled on the decision by the Barcelona European Council in March 2002 that identified school twinning as an opportunity for all young people to learn and practice information & communication technologies skills, as well as promote the multicultural European model of society." A "Read" link is provided at the bottom of the article. The Windows taskbar at the bottom shows several open applications: "Quitar hardware de...", "ERASMUS+ 2015", "Microsoft PowerPo...", and "News & Events - Int...". The system clock shows the time as 12:13.

Erasmus+ Tools

European Commission's Erasmus+ programme provides people working in school education with versatile opportunities to develop their professional skills and to work together with partners in Europe.

We suggest that you get familiar with the [Erasmus+ programme](#) structure and its funding opportunities for schools. The three Tools available on the School Education Gateway website will help you to find courses, mobility offers and partnership opportunities to elaborate and complete your application.

The Tools and related information are currently available in English. They will be provided in all languages by the end of March.
